

Working Industrial Back Support

Item No: Y02
Material: Nylon, spandex
Size : S M L XL XXL
Color: Black
Packing: 1 piece / opp bag,50 pcs/carton

The industrial back brace helps lessen lumbar strain, eases existing chronic back pain, prevents further damage from overuse, encourages proper lifting techniques, and develops better back posture for working and sitting. Double-pull tension straps and flexible posterior stays provide superior lower back and abdominal support for occupations including construction, landscaping, bricklaying, and movers.

Common Examples of Use

- **Prevent Spine Damage/Compression**
- **Reduce Inflammation in Lower Back**
- **Support Stiff and Sore Muscles and Joints**
- **Lessen Existing/Chronic Back Pain**
- **Encourage Proper Lifting and Improve Posture**

Product Features

Removable, criss-cross suspender straps provide additional support and can be easily adjusted, making it completely customizable. Made of a premium-quality elastic, making it comfortable to wear while working or weightlifting. Comes in a black neutral color and can be worn over or beneath your clothing.
