

Copper Compression Knee Sleeve

Item No: K09
 Material: Nylon
 Size : S-XXL
 Color: Black
 Packing: 1 piece / opp bag,50 pcs/carton

The copper compression knee sleeve come with two silicone anti-slip bands on the top of the knee pads, which ensures that the pads will always stay in place and will not slip or roll up during daily wear and exercise. Our knee brace glides over your leg and hugs your knee area, stretching to fit over it comfortably and provide smooth compression.

Common Examples of Use

- Disperse knee pressure
- Improve blood circulation
- Protect knees from injury

Product Features

- Copper ion braiding
- 3D knitting technology with high comprehensibility
- Double silicone waves prevent knee brace from sliding and slipping off
