

Basketball Honeycomb Arm Compression Sleeves Elbow sleeve pads

Item No: E09
 Material: polyester+spandex+EVA
 Size:M L XL
 Color: Black,White,Blue,Dark Blue,Red,Yellow
 Packing: 1 piece / opp bag,300 pcs/carton

The blended fabric of nylon and spandex is soft, smooth and elastic, which can perfectly fit the arm. Provide optimal compression to help ensure blood flow and proper circulation during exercise. The breathable elastic is going to keep you cool, will fit tightly, and help to wick away sweat during strenuous exercise.

Common Examples of Use

Running, fitness equipment, health massage, fitness and body beauty, shooting, martial arts and self-defense, sports protective gear accessories, dance, football, basketball and volleyball, table tennis, badminton and tennis.

Product Features

High-density honeycomb gasket effectively disperses impact force and reduces arm damage.

Built-in soft silicone anti-slip, does not hurt the skin and is not easy to slip during exercise.

Elastic fabric tightly wraps the elbow to reduce muscle tremors, fits the curve of the hand, and provides pressure protection.

The fabric is soft, comfortable and breathable, contains Lycra ingredients, and absorbs moisture and perspiration.

Size Chart

Size	Length (cm)	Upper (cm)	Below (cm)
M	40	26-33	14-17
